*After the movie, another surprise . . . possibly the most suppressed news story in the United States . . .*

Stephen Funk's story has received local, state, and even national media coverage. Guess "who" is a military deserter although mainstream U.S. media doesn't let American citizens know?

## **U.S. PRESIDENT & COMMANDER IN CHIEF GEORGE W. BUSH**

He's 30 years overdue a court-martial -- no record of his reporting for Air National Guard duty, 1972-1973

He was suspended, permanently grounded, as a military jet pilot for AWOL/desertion

His military service record/docs are on THE INTERNET. Go to: [www.awolbush.com](http://www.awolbush.com) for starters
