

Mission Against

TERROR

The Case of the Cuban Five

Why are Anti-terrorists in the United States, while the terrorists who bomb and attack the island of Cuba run free in the streets of Miami?

Five Cuban men risked their lives to stop terrorism. But the FBI arrested the "Cuban 5" on Sept. 12, 1998, charged them with espionage, and unleashed one of the biggest violations of justice in our country.

Fernando González

Gerardo Hernández

René González

Antonio Guerrero

Ramón Labañino

Learn more about the case from this important documentary, written and directed by Bernie Dwyer and Roberto Ruiz Rebo.

The film is a joint project of Canal Educativo, Cuba and Two Island Productions, Ireland.
