- In Person! -

From the Front Lines in Occupied Iraq

Special Correspondent for Flashpoints and Democracy Now!

Weary of the US media's failure to accurately report the realities of the war in Iraq for the Iraqi people and US soldiers, Dahr Jamail went to Iraq to report on the war and the occupation himself. One of only a few independent US journalists in the country, Dahr now writes and reports for the Inter Press Service, The New Standard, The Nation, The Sunday Herald, Islam Online, Flashpoints, the BBC radio, and DemocracyNow! After 8 months in occupied Iraq...
