

Rescue, Not Repression!

"This is the Law and Order and Terror government,"
says MSNBC newsman Keith Olbermann
"It has just proved that it cannot save its citizens from a
biological weapon called standing water."

Do You Know What Your Gov't Is Doing in New Orleans?

- FEMA told first responders not to respond, cut rescuer's communications
- FEMA turned away Wal-Mart's water delivery, refused aid from 500 boats
- FEMA directed hurricane donations to Pat Robertson
- Coast Guard offered 1,000 gallons of diesel fuel but FEMA said no
- US Troops have begun combat operations in New Orleans, and are calling Americans there "insurgents"
- Preventing people from walking out of New Orleans
- Confiscating buses that could rescue people
- Refusing aid from all over the world and from Americans
- New Orleans police told to stop saving lives, start saving property
- 100 people dead in Chalmette after being rescued then stranded
- Bush wouldn't authorize nearby Navy ship US Bataan to help with its doctors, beds, food, ability to generate 100,000 gallons of fresh water/day
- Bush's top priority hurricane weekend? Repeal the estate tax for wealthy
- Barbara Bush says "Houston shelter is working very well for the poor."

Mayor of New Orleans says 10,000 Dead!
