Invite You to a Candlelight Peace Vigil & Open Mic

Not One More Death, *Not One More Dollar!*

The Day AFTER - 6:30 PM

**Dr. Martin Luther King, Jr. Library
150 E. San Fernando St., San José, CA 95112**

**End the War & Occupation!
Bring the Troops Home Now!**

A diverse group of South Bay peace activists are organizing a candlelight vigil to mark a milestone we all wish would never be reached: **the 2000th US military death in Iraq** and more than **150,000 Iraqi civilians killed**. Note that the actual numbers are much higher than this.

The vigil will start at 6:30 pm on **the day after the 2,000th reported death**. The plan is to have a candlelight vigil and open mic at 6:30 pm in front of the Dr. Martin Luther King Library **the day after the 2000th** American soldiers' reported death.

We intend to demonstrate to our government that this country's pro-peace majority wants **Congress to stop the deaths by stopping the funding for the war**.

Since the exact date of this event cannot be predicted, we are organizing now so that we can be ready to mobilize on short notice. Bring your own signs & candles or flashlights if you can, we will provide some candles as well.
