

Speak Out Against Bush! Drown Out His Lies!

Reject Bush's Lies and His Program

He lied to take the country to war, illegally spies on American citizens, and defies Congress' ban on torture.

He cuts taxes for the rich while poverty deepens in our country.

He has spent over \$200 billion on the war in Iraq but the people in New Orleans do not have the resources they need to recover from Hurricane Katrina.

THROW OUT KING GEORGE!
END HIS REIGN OF TERROR!

Make your voice heard!

Tuesday, Jan. 31 6:00 p.m. to 7:00 p.m.
4th and San Fernando (in front of library),
San Jose

At the start of Bush's "State of the Union" address, we will shout, honk, whistle, clap, beat drums, blare horns, make music, bang pots....**make noise** to drown out Bush's lies!

Then we will **SPEAK OUT** with our ideas for what we can do to end the war in Iraq and restore democracy in our country.
