

Take the Peace Train on March 18!

Come to sign-in table at San José Cahill St station 8:45–9:30 a.m. for the train (no. 427) departing at 10 a.m.

Join the thousands participating in the mass anti-war mobilizations on the 3rd anniversary of the start of the Iraq war. Groups of 5 can purchase 10-ride tickets for the round-trip and get 15% off on the regular fares, which are \$7.50 RT from San Jose to Palo Alto and \$16.50 RT from San Jose to San Francisco (seniors, disabled and youth 17 and under half price). Ten-ride tickets can be purchased from ticket vending machines at the train station, which take either cash or credit cards.

A free shuttle will take protestors from the 4th and Townsend station in San Francisco to the Civic Center (where that march will begin and end) and back.

SBM has arranged with CalTrain for our own car on the train!
