

Target Iran:

The Truth about the White House's Plans for Regime Change

Map of Iran

In the run-up to the invasion of Iraq, Scott Ritter's claims that Iraq had been disarmed were ignored by both Bush and the mainstream media. **Since then, Ritter has been vindicated.** Now Ritter has set his sights on the White House's hyping of Iran's alleged nuclear weapons program. In **Target Iran** he once again sets the record straight.
