

The Farmworkers' Journey

A talk by Dr. Ann López

Join Dr. Ann López to celebrate her new book,
"The Farmworkers' Journey"

One reviewer calls **The Farmworkers' Journey**, “a powerful and moving story of lives affected by agricultural and trade policies, migration, and the dehumanization of farm workers.” Illuminating the dark side of economic globalization, this book gives a rare insider's view of the migrant farmworkers' binational circuit that stretches from the west central Mexico countryside to central California.

We'll enjoy a Mexican dinner, discuss the issues in the book with Dr. Ann, and watch excerpts from the new documentary, “**El Gigante Awakens**”, about the historic May 1, 2006, **Immigrant Rights March** in San Jose.
