

For Peace & Justice in the Middle East...

Join us Sunday to Protest AIPAC!

Be sure to arrive by **5:00pm** to properly greet AIPAC. This Sunday is their big annual fundraising dinner!

Why Must AIPAC Be Stopped? Here's a short list...

- * AIPAC has played an active role in **getting the U.S. to invade Iraq.**
- * AIPAC wants **tough sanctions against Iran** and a **military strike against the people of Iran.**
- * AIPAC heavily lobbied Congress to support their **Apartheid Wall** surrounding the West Bank, which deprives thousands of Palestinian of access to their own land, their source of food, preventing them access to work and proper medical care.
- * AIPAC has lobbied the US government to support **Israel's 20-month-long siege of Gaza**, which has led to a **humanitarian crisis**--crippling critical infrastructure, depleting fuel supplies, blocking medical supplies from reaching 1.5 million people.
- * AIPAC worked to ensure US support of Israel's invasion of southern Lebanon in July 2006, which **killed over a thousand Lebanese civilians**, flattened a large portion of Southern Lebanon, and rendered **over a million people homeless.**
- * US taxpayers provide over **\$3 billion in military aid to Israel** annually, due to the tireless lobbying of AIPAC.
